

Innovative Economic Symposium 2017

Strategic Partnerships in International Trade

Under the auspices of Ing. Miloš Zeman, President of the Czech Republic

Motto

"The business enterprise has two—and only two—basic functions: marketing and innovation. Marketing and innovation produce results; all the rest are costs."
Peter F. Drucker

Target

The conference brings together scientists in economics, international relations, finance and marketing both from China and Europe. The conference aims to exchange knowledge and discuss issues related to market mechanisms, international business and strategic decisions.
